

Single Side Backlit FSU

75mm / 100mm

SELF-STANDING | BACKLIT | FABRIC
PRINT | SINGLE SIDE

Wall Tex 75 and Wall Tex 100 both can be used to provide single side free standing backlit frames. Wan-Tex 75 can be used for a relatively smaller size whereas Wal-Tex 100 can be used for a large frame. Both profiles can hold ACP sheet on the back of the frame. This is to place LED modules or strips on the back of the frame. We offer two types of base as per client choice.

U- Base
400mm X 100mm X 5mm

Flat Base
400mm X 100mm X 5mm
